You don't need to apologize. I appreciate everything you can provide. There is not a day that goes by that I don't have deal with some 'corruption' coming out of DCPF...

Thanks,

Mike

What I do know is that Baron and Bud and whites and Luxembourg get to use a band doctors such as James Ballard however all other law firms cannot use James Ballard. There's a few other doctors like that John seanfeld is another doctor that is allowed to be used by whites and Luxembourg a few other firms but not all firms. Not all doctors are banned from all firms. I will work diligently on getting those documents to you . I am currently moving so hopefully I will find them. I am literally talking to text for this email so I apologize for any typos

Matt,

I wanted to share with a lawsuit recently filed by an esteemed Doctor who was 'banned' by DCPF due to a 'sham' audit. It is attached.

I was curious - Do you recall any complaints/internal discussions at DCPF about excluding Doctors and Lawyers? Without even an audit, the DCPF Trusts have also 'banned' my office in bad faith...

Thanks,

Mike

Good afternoon,

Baron and Budd and Weird and Luxenbourg not only have special advantages but they also have their own teams with employees specifically only working their law firms' because again they receive special rules. When I go home today I will look for the documents I took when I left the company. I will gather what I have and send it your way no later than the close of business Monday.

Matt,

Hi and thank you!!!

Of course I would love more!! You are not the first to reach out to me.

Ms. Nickel and her band of corrupt Trust Fiduciaries have cost (misappropriated) billions from asbestos victims.

No doubt the list of "Favored" Law Firms starts with Kazan. No doubt Weitz and Luxenberg, Simmons, and Baron and Budd are all on the 'favored' list. I'm sure you're familiar with Tom Florence too and Gary Wingo too - they are definitely in on the scam.

I would love to learn more about Navigator.

Thanks,

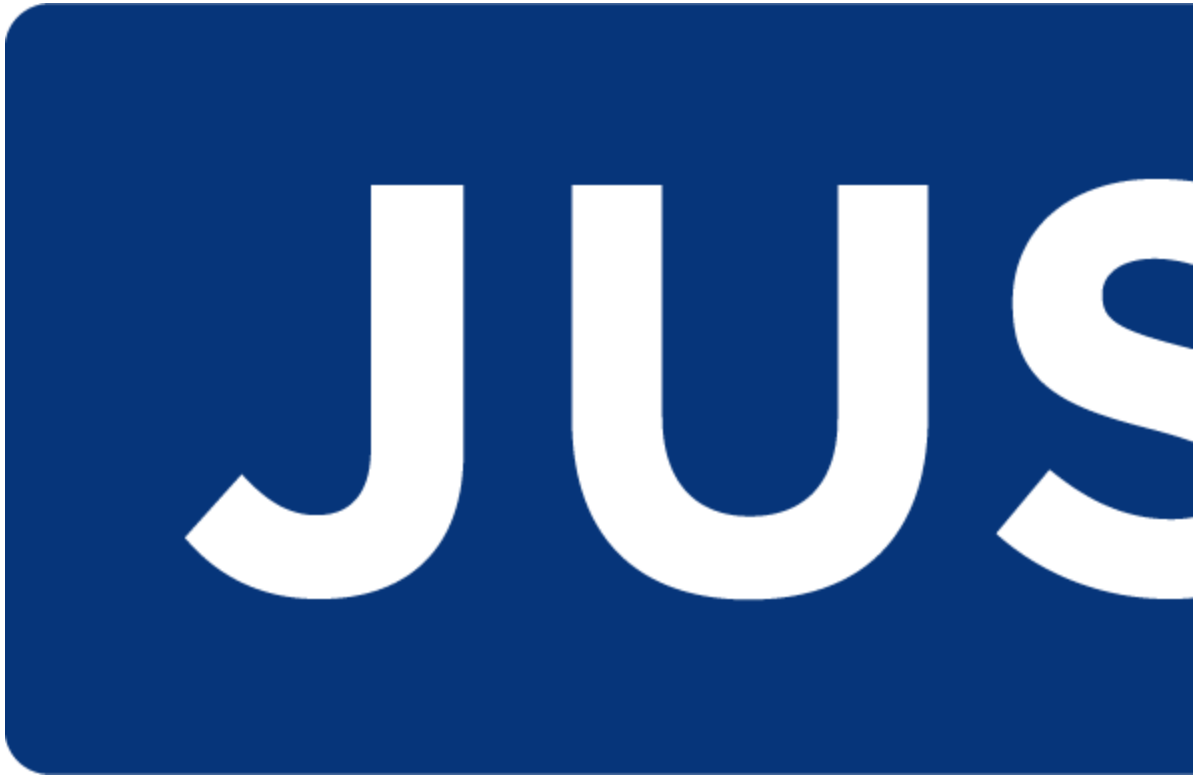

Mike
